Present simple (interrogative)

For creating a question in present simple, we need to follow this order:

Do I/you/we/they play the cello?
Does he/she/it eat cookies?

We start with do or does depending on the pronoun , then we add the main verb and , finally, We add the complement of the question. Remember that we always end a question with a question Mark (?)

Do I look well?

Does she fix cars?

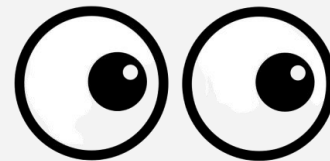

Do they play Monopoly on the weekends?

Here is a summary

Auxiliary	Subject	Verb	Rest
Do	you	read	books?
Does	Peter	play	football?

➤ Remember that ,in this form, the verb doesn't change. We just switch the order and add the auxiliary (do or does)
