# At the airport

Hello! My name is \_\_\_\_\_. Today, I'm **travelling** to Canada and I'm very excited.

I have everything I need with me: **my passport, my suitcase, a backpack and some money.**

It is the first time I'm **travelling** on my own, so I'm a bit scared. My **flight** is at half past eleven, but it is nine o'clock and I'm already at the **airport**. I can't wait to explore the city of Toronto and have some good food. My friend, Peter, is waiting for me at the **airport** in Canada. He said we can go to the **mountains** on the weekend, his parents have a cabin in the **woods**.
